TASC Compliance Services Hold Harmless Clause

TASC provides one of the best, if not the best, protection packages in our industry. We include a Hold Harmless clause in each Service Agreement and a total aggregate liability of one million dollars, setting TASC apart from competitors as a service provider that stands behind our services.

The legal details of our Hold Harmless clause are defined and limited in our Service Level Agreement (“Agreement”) attached to our Client Plan Application, and also included below for quick reference.

Indemnification

TASC shall indemnify the Plan Sponsor, its directors and officers, and hold it harmless from and against any and all actions, claims, lawsuits, settlements, judgments, costs, taxes or similar assessments, penalties and expenses, including reasonable attorney’s fees, resulting from a direct result of TASC’s negligence or willful misconduct.

The Plan Sponsor shall indemnify and hold TASC, its directors, officers, employees, agents and assigns harmless from and against any and all actions, claims, lawsuits, settlements, judgments, costs (including, but not limited to, costs of insurance premiums paid with respect to the Plan), taxes or similar assessments, penalties and expenses, including reasonable attorney’s fees, or other obligations resulting from, arising out of or in any way connected with the Plan, including any prior administration of the Plan or a similar arrangement, or claims or demands by Plan Participants and/or beneficiaries (“Losses”), unless the Losses are directly attributable to TASC negligence or willful misconduct.

Each party’s indemnification obligations are conditioned on the following: (i) if process is served, the indemnified party providing written notice within five (5) business days of receiving service of process regarding an indemnifiable event, (ii) if the party receiving indemnification is required to make any admission or pay any consideration as part of a settlement, no settlement shall be made without such party’s consent, and (iii) the indemnified party cooperating in the defense and/or settlement of the indemnifiable event. Subject to the limitations set forth in the immediately preceding section of this Agreement, the parties’ indemnification obligations hereunder shall survive the termination of this Agreement.

Defense of Legal Actions

TASC shall notify the Plan Sponsor of any legal action arising with respect to the Plan of which TASC becomes aware. Other than a regulatory claim that is defended by TASC under an applicable Audit Guarantee provided to the Plan Sponsor in writing from TASC, the defense of any legal actions shall be the responsibility of and be undertaken at the expense of the Plan Sponsor, it being understood and agreed that TASC shall cooperate with and assist the Plan Sponsor in said defense, at Plan Sponsor’s expenses, to the extent that the Plan Sponsor reasonably may require.

Limitations of Warranties and Liabilities

Except as expressly set forth in this Agreement, TASC disclaims any and all express warranties, warranties of fitness for a particular purpose and implied warranties of merchantability. TASC will not be liable in contract or in tort for any loss of business or profits, or for any consequential, incidental, punitive, or similar damages, or, other than set forth in this Agreement, for any claims of damages made by any third party for any reason whatsoever, even if TASC has been advised of, had other reason to know, or in fact knew of the possibility of such damages. TASC shall not be liable to the Plan Sponsor or any other person for any mistake of judgment or other action taken in good faith in the performance of the services provided hereunder, or for any loss or damage occasioned thereby, unless the loss or damage is due to TASC’s negligence or willful misconduct. Notwithstanding any other provision of this Agreement, and for any reason, including breach of any duty imposed by this Agreement, including but not limited to the indemnification obligations set forth above, or independent of this Agreement, and regardless of any claim in contract, tort (including negligence) or otherwise, TASC’s total, aggregate liability under this Agreement shall in no circumstance exceed \$1,000,000.00. No action, regardless of form, arising out of the services provided under this Agreement, may be brought by the Plan Sponsor more than two years after the date the last services are provided under this Agreement. Each party acknowledges that these limitations of liability reflect an informed, voluntary allocation between the parties of the risks (known and unknown) that may exist in connection with this Agreement.

Audit Guarantee: An exclusive TASC feature provided as part of our FlexSystem FSA and HRA plans, stating that TASC Clients and Plan Participants are protected from penalties or interest on taxes as the result of TASC plan design.
